RE: Offer to Pay Compensation

Dear Sir or Madam:

Sharda Cropchem Ltd. is amending the registration of the product "Sharda Acetochlor Technical" containing the active ingredient acetochlor. Your company is listed in the EPA "Data Submitters List" for this chemical. Sharda's amendment uses the selective method of data support (40 C.F.R. §§ 152.90-152.96).

Sharda is selectively citing the six data items listed below which are in addition to those data previously cited in offer to pay letters to Monsanto Company and to Acetochlor Registration Partnership dated September 15, 2016, and August 18, 2017. Sharda hereby offers to pay compensation for these items to the extent required by FIFRA § 3(c)(1)(F). Sharda also offers to commence negotiations to determine the amount and terms of compensation, if any, due for EPA's consideration of these data in support of Sharda's registration.
